## GREETINGS

Welcome to St. John's! Worship is easy to follow – everything you need will be projected on the screens at the front of the sanctuary. We want you to relax, worship God as you are comfortable and enjoy being a part of our community of faith this morning. Children are welcome to remain in worship with you or you have the option for nursery care for those under 2 years of age. The nursery is located in the narthex just outside our sanctuary. Sunday School begins at 9:45 a.m. and runs concurrently with the 10:00 a.m. service. The children enter worship following the offering, in time to join in communion.

St. John's is a community that cares for one another and cares about folks in East County. There are ministry options to learn and grow in faith, to serve both within our community and internationally, and to live lives that are relevant and exciting as we listen to God's whispers guiding us daily.

To learn more about our community, worship and upcoming events check out our Facebook Page: **St. John's Lutheran Church, Antioch CA** or our website: <http://www.stjohnsantioch.org>.

## MINISTRY CONNECTIONS

Our new website is up and running at [www.stjohnsantioch.org](http://www.stjohnsantioch.org). "We are a Community Gathered Together By God's Love" ... and God is already working within our community, with a recent guest having mentioned our website drew them to us! God is amazing and working in the hearts of those in our community to allow us to reach more and more people!

Please note that as a community of faith, we will be posting pictures and information on a regular basis, if you are shy, and don't want your picture to be included, please be sure to let the Executive Committee or Church office know so that we can check with you before posting.

Take a moment to tour our new website and let us know what you think.
