

Before Jesus dies, he tells Peter that Peter will deny knowing him. Then Peter denies Jesus three times! When Jesus comes back to life, Jesus asks Peter three times if he loves Jesus. Jesus gives Peter a second chance to do big things for him, because Jesus believes in us.

*“God sent his Son into the world not to judge the world, but to save the world through him”
(John 3:17).*

Through the Week

Jesus believes in us. Make a “You Can Do It!” board to believe in each other this week.

- Pick a spot to make your board—it could be sticky notes on a wall or poster board people can write on directly.
- Write or draw encouraging notes to each other that say what you believe in your family members to do. For example, “Amanda, I believe in you to do well on your test today!” or “Jacob, I believe in you to stand up for Jesus!”
- Surprise your friends and family with additional encouraging notes hidden in unexpected places.
- Pray for each other throughout the week, based on the notes you wrote.
