

## The Great Commission Matthew 28:16-20; Mark 16:15-20; Luke 24:44-53; Acts 1:6-11

Jesus goes back to heaven as his disciples watch. Just before he goes up into the clouds, he tells his disciples to go and make disciples of all nations and that he'll always be with them. Even though we can't see Jesus anymore, Jesus is always with us.

*"And be sure of this: I am with you always, even to the end of the age"*  
(Matthew 28:20).

### Through the Week

Travel with Jesus this week because he's always with you.

- Fold some half-sheets of paper and staple the fold to make passports. Make one for each family member.
- Each person can color and decorate his or her passport.
- At the top of each page, write places you may go this week. These might be different for each family member.
- Whenever you go to one of those places, draw a cross on that page of your passport as a reminder that Jesus went with you.

### Talk About This...

- What's hard about telling others about Jesus? How could Jesus help you?
