## St. John's Community Connections

### Sunday School—Celebration

### Last "Community Connections"

We are grateful for the moments we shared on this page and the many contributions, quotes and pictures. But, now that we have our weekly Zoom Fellowship Hour the written connection will be replaced with a new and more personal way to stay connected.

If you have yet to try our Zoom Fellowship Hour, please let Brita Bleuel or Mary Soliz know and they will work with you to help you to connect to these weekly event.

In addition, mark your calendar — our first social distancing outdoor Fellowship Hour will be held at the church on Sunday, June 28 at 10:30 a.m. Light, prepackaged refreshments will be served. Masks will be required for all.

We look forward to seeing everyone on Zoom as our community connects!

Our Sunday School wrapped up with a social distancing celebration featuring teacher visits and summer goodie baskets. Our thanks to all of the children and families in all the many shapes and sizes they come in for their commitment to Sunday School. And, to all of our teachers, especially Family Ministry Council, Sharon Hayes and Sunday School leader, Connie Pfahl for their endless hours of bringing the message of love through our Savior Jesus Christ to our children.

Look for some fun virtual/social distancing activities for our children this summer!

*"Unless someone like you cares a whole awful lot, nothing is going to get better. It's not." - Dr. Seuss*
