

## The Murphy Moment—Notes from a Dog-sciple!

Hi everyone! So happy to be back online and sending you a message. For those of you who are yet to meet me, I am **Murphy** and I am the Sunday School Mascot at St. John's. Together we learn all about Jesus and the love He has for each one of us.

This past Sunday we learned that God gives us the strength to do all kinds of amazing things—like Joseph did in feeding his brothers and others in need. We found out that feeding people is not always about food (though sometimes it is) ... but about forgiveness and love—even when someone might have hurt us. Wow! God's love is amazing!

I look forward to seeing everyone this week when we learn about the “**Transfiguration**” of Jesus. Are you as curious as I am as to what that word means, well come join me in Sunday School and let's find out together. In Corinthians we will learn that “... let there be light in the darkness and let the light shine in our hearts so we could know the glory of God that is seen in the face of Jesus”. To help us shine the light, the Praise Team is going to teach us “*This Little Light of Mine*” during our Children's Message.

Counting the seconds until Sunday School ... well, counting as far as my paws will take me! I hope to see you there too!

Hugs, pawprints and prayers for a happy week,

*Murphy*
