

The Murphy Moment—Notes from a Dog-sciple!

Happy Thursday evening everyone. I am writing this as I sit snuggled in my dog house watching the rain. Rain is such a beautiful gift from God—it represents both the cleansing and the growth of our world. In much the same way, the journey we will take during Lent will teach us that God cleanses us and allows our faith to grow through the grace of our Savior, Jesus! Are you as excited as I am to be able to learn about how much Jesus loves us!

Murphy Attends his First Ash Wednesday

This past Sunday we learned that “**Transfiguration**” means to change. We talked about how we can be transformed, just like a butterfly and learn to shine brightly just like the sun. Wow! Thank you to the Praise Team for teaching us “*This Little Light of Mine*” during our Children’s Message. Every time we sing it we can think about how brightly we shine in God’s love and how important it is for us to share this ... remember, “hide it under a bushel NO! I’m gonna let it shine!” Let it Shine everyone!

Come join us this Sunday! We are starting a new craft project that will help lead us to Easter morning, we will learn our Bible story, chat with Pastor and ... of course, get to share the love of Jesus with one another.

Hugs, pawprints and prayers for a happy week,

Murphy

Crafts and activities before Sunday School—approximately **9:30 a.m.**

Sunday School begins — **10:00 a.m.**

Children’s Message/Worship begins after Prayers of the People.

Last week I got caught looking for some dog bones in the fridge —thank heaven’s you found me! Where will I be this week?
