

## The Murphy Moment—Notes from a Dog-sciple!

I've got "Peace like a River" ... that old song I learned when I was just a pup reminds me of our lesson on Sunday morning "Jesus Brings us Peace"! We learned that Thomas was scared and doubted that Jesus lives ... but was he surprised when Jesus was standing there! Surprised and happy! Peace is the presence of comfort—whether that is love, friendship or faith. At Sunday School we learned that peace comes from Jesus. And when we can't see him, we just have to remember the experiments we did that showed that just because we can't see something (like the air we breathe) doesn't mean that it isn't there. Just like the air we breathe—Jesus is there. There for each of us! Always!

We hope that you can join us this week ... we are going to learn the story of Saul and how his life was changed by God's love! How will our lives be changed too!

I hope that everyone is having a good week—I know that I have been having quite a good time roaming about our nice clean property and looking for all the bones I might have buried! How pretty everything looks around our yard. Thank you to Mike and Bill and all who made it such a nice place to play. As summer comes we look for many chances to enjoy the yard ... including Vacation Bible School. Woof! Woof!

We are still in the Easter season so don't forget:

He is Risen! He is Risen Indeed!

Hallelujah!
