### Good News!

Lydia had her own business. She sold expensive purple cloth to rich and famous people. Lydia had never heard the story of Jesus. One day she heard Paul teaching. These are some of the things Paul taught Lydia about Jesus.

After Lydia heard the good news, she was baptized. Lydia became a follower of Jesus.

Today's Bible story, **Lydia**, is from the book of **Acts**. In Acts we hear a lot about **Paul**, one of Jesus' **followers**. Paul traveled in a big boat to the faraway place where Lydia lived. Lydia's house became the first church in Philippi.

# Fabric Dyes and Colors

Strawberry

In Bible times, people like Lydia made colored dyes for fabric from things in nature. Lydia's dyes were made from shellfish. Other dyes came from plants. People chopped up plants, boiled them in water, and soaked fabric in the mixture. Today, people still use many of these plants to dye yarn and fabrics.
