

## The Murphy Moment

It's finally here! I am so excited. This Sunday we start God's Wonder Lab. Dr. Ozzy the Snow Owl, came by and gave me a sneak peek of all the fun we are going to have learning about Jesus! First: did you know Jesus performed miracles? He did. Amazing moments that allowed people to see that He was God and God loves us! Now we are going to have our own amazing moments to see Jesus in action in our lives.

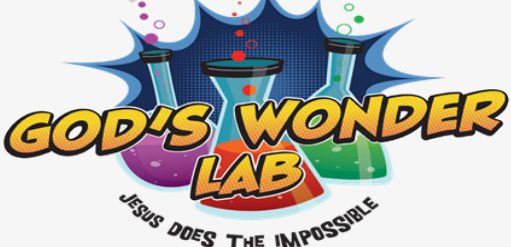

Second: did you know that we are going to do special crafts, games and get ice cream every Sunday! Summer Sunday School will be a great time for you to invite your friends or family to come join us. Can you think of someone to invite? I can ... I am going to invite Skippy the Dolphin to come back.

SHHHHH ... a big secret, did you know that Dr. Ozzy does not know who Jesus is? Do you think we can tell him? I think all that time learning to be disciples and apostles will allow us to share the story of Jesus' love! Come on, everyone, let's do it!

One more thing, we are going to get to see a Baptism this week. Talk about a miracle—Jesus washes away our sin and gives us undying love through our Baptism into faith. Super amazing!

Don't forget to get to church at 9:00 a.m. for the start of God's Wonder Lab—we have cool stuff to hand out: backpacks, lanyards, coloring sheets and crafts—you won't want to miss all the fun. I will be there and I hope you will be to.

Come Join Us in the Lab  
Crafts, Interactive Experiments  
Bible Study, Music, Games and more!  
Free to All!
